

## GLOBAL MINISTRY OVERVIEW

### INTERNATIONAL PRESIDENT

This past year has been an amazing season of growth in the Youth for Christ movement around the world. We continue to see new and innovative initiatives put into action to impact young people with the gospel despite the challenges of an ongoing global economic crisis.

Youth for Christ's web presence has been completely overhauled and leveraged to communicate to partners and donors a more comprehensive and compelling picture of the global reach of the Youth for Christ ministry, creating a greater awareness of the huge need still before us – billions of young people yet to be reached with the life-changing message of Jesus and His Kingdom.

Young leaders across the world, fueled by a pioneering passion, are expanding the reach of the gospel into many new nations, most of them closed to outside influences but open to indigenous leadership.

The continuing need to train, empower and deploy new and existing leadership drives the development of new resources to ensure the movement's long-term viability and effectiveness in the task of giving every young person the opportunity to be a follower of Jesus Christ.
