

# Global Ministry Overview

2007/2008 Youth for Christ Annual Report

## from the International President

This past year has been a year of consolidation and building infrastructure. With the mandate of our strategic focus driving us ...*to raise up lifelong followers of Jesus who lead by their godliness in lifestyle, devotion to the Word of God and prayer, passion for sharing the love of Christ and commitment to social involvement*, we have forged ahead with the development of processes, materials and support services that will equip us to empower a generation of young leaders to lead the Youth for Christ ministry into the future. Much work has been done on a leadership empowerment process that will enable us to equip and release young people into strategic leadership roles in their local communities, nations and the world.

We are intent on developing leaders who will empower young leaders to empower other young leaders. The very best of our Young Leaders worldwide—the most Godly, committed and gifted—have been selected to participate in an inaugural 2-Year Young Leader Development and Empowerment Process that will release them into leadership roles throughout the movement. Some foundational funds have been raised to bring these Young Leaders together in Johannesburg, South Africa, in September 2008. Our dream is that, through the empowerment of young people, Youth for Christ will be a movement characterized by the perpetual equipping and validation of youth who will lead the Church to reach the young people of the world.

### Our Strategic Focus

YFC reaches young people everywhere, working together with the local church and other like-minded partners to raise up lifelong followers of Jesus who lead by their godliness in lifestyle, devotion to the Word of God and prayer, passion for sharing the love of Christ and commitment to social involvement.

### Our Vision

As part of the Body of Christ, to see that every young person in every people group in every nation has the opportunity to make an informed decision to be a follower of Jesus Christ and become part of a local church.

## International Board Chair

God is moving in the hearts and minds of talented Young Leaders in more than 100 nations across our world, young people who are committed to God's purposes for their lives. They can do what no one else can, reach their peers with the message of God's grace and love in words and actions that speak God's peace to hungry hearts and result in changed lives. Youth For Christ's exciting task is to equip and inspire this new generation of Young Leaders, preparing them to change their world for Christ. We welcome your partnership in this compelling and joyous endeavor.
